SCHOLASTIC

**Scholastic Learn at Home: Grades PreK-K**

Welcome Kids and Parents!

Before you get started, you must first set up your **free account** for **Book Flix** and our **Watch & Learn Library**. It's simple—just use the following info:

username: **Learning20** | password:

Clifford

Dear Families and Caregivers,

We know that missing school isn't easy for your kids—or for you. But we also know that there are simple ways to turn unexpected time at home into exciting opportunities for your students to learn, think, and grow.

That is why we've created Scholastic's Learn at Home website. This free resource provides your children with 20* days of exciting articles and stories, videos, and fun learning challenges. Children can complete them anytime, in any order. They can work on their own or together with you and your family.

www.scholastic.com/learnathome

Our active learning journeys are available on any device and will provide your child with up to three hours' worth of exciting learning experiences per day. They can go on virtual field trips, meet best-selling authors, or dig deep into a topic they love.

We hope that you and your children stay safe and healthy, and wish you the best of luck during this stressful time.

With best wishes from all of us at Scholastic,

Lauren Tarshis
Sr. VP, Editor in Chief & Publisher
Scholastic Classroom Magazines

If you have any questions or suggestions, please reach out to me at ltarshis@scholastic.com.

*The site will be updated weekly until all 20 days of content is available.
