Your requests are automatically saved after you enter them on the Requests page. Your counselor can view them anytime.

1. After you complete entering your requests, click **Post** at the bottom of the page. This lets your counselor know that you are finished entering requests. If you have not selected enough courses to satisfy requirements for your academic track, the system lets you know which area you need to make more requests in:

Note: Once your counselor approves your requests, you can no longer make changes to your course selections.
