

## NES School Council 10/3/19 Minutes

### Agenda:

- School Improvement Plan → waiting for the go ahead from administration on format
- Debrief lockdown
  - Kim A did an amazing job from Kim K and staff perspective (Kim K was off island for family needs)

family needs)

→ JF mentioned importance of protocol in place for substitutes

→ students reacted well on the whole, most likely because we were in lock out

→ clarification on procedure throughout building is important, as well as for parents to provide consistency

→ social media can be detrimental to handling emergency situations effectively

→ NES will be creating a schoolwide "Remind" group for staff to provide consistent and effective communication.

→ District looking into app that will provide updates to phones on situations

→ Public alarm sound would be effective to signal emergency (similar to years past when it was used to signify snow days)

→ Should we be receiving alerts from I&M as well as Boys and Girls Club during emergency situations?

→ This will be running agenda item as more information and updates become established.

### For the Good of the Order:

- JF concerned about how sports games take precedence over school vacations/family commitments → how can we address this? Bring up to HS council or Joint School Council

### Important Dates:

Meg Browsers - Teacher Appreciation Luncheon - May 6th - will be discussed 4/2/19

Kim & Erin - discuss Lip Synch 1/9/2020
