

**Nantucket Elementary/Intermediate School
LIP SYNC CONCERT
Friday, May 3, 2019 at 6:00 pm
Nantucket High School Auditorium**

Gather a group of friends and put on a fun-filled show to help raise money for our Student Activity Accounts!

The Student Activity Accounts support students at *every* grade level. Funds are used for such things as Literacy Night, financial assistance for field trips, bringing in guest speakers, performers, and playground equipment.

All monies raised during our annual Lip Sync event will go directly to these accounts!

What is a Lip Sync? A group of students sing (well, pretend to sing) and dance on stage in costumes to a song.

Who can participate? NES/NIS students in groups of five or more students.

It is our hope that every student who wants to participate is given the opportunity to do so.

In the spirit of friendship and cooperation, please accept students into existing groups and discourage students from excluding anyone. Students should only participate in **one** group. Each group must have **one** designated parent representative who is responsible for coordinating the group's routine and practice schedule, attending the dress rehearsal and keeping other parents in the group informed.

How do I sign up? Each group must complete **one sign up sheet**.

It is the responsibility of the parent representative to return the sheet to the **main office** (in either NES or NIS) with their group members' names and grades by **Friday, March 29, 2019**. Members may be added after this date, but new groups may not be formed. The parent representative will be contacted after submission with a list of FAQs.

Sign up early! Event is limited to the first 20 acts!

- **Wednesday, February 13 – 6:00 pm** in the NES Café. Mandatory informational meeting for any potential parent representative.
