Pre-Planned Absence Form

Please note: Students are required to attend school during the designated school year, and family vacations should be scheduled to coincide with those of the school year. However, the district recognizes that, at times, the students need to miss school for family events, such as weddings or other family celebrations, which may require three or more days of absence from school.

If you are planning to have your child miss **three or more** days of school for a family-related event, please complete the form below and return it to the main office prior to the student's anticipated absence.

Please note that teachers will not be required to prepare work for students to accomplish during such absences and that these days are considered as unexcused absences by the district.
