## The Nantucket Vocational/Professional Scholarship

The Nantucket Vocational/Professional Scholarship Program awards scholarships to seniors who have established a pattern of personal success in a vocational program while a student at Nantucket High School. These students are highly motivated individuals who strive for excellence in pursuing a professional career and work diligently toward the goal of attaining a superior education in the vocational/professional field of choice.

November 2022

Dear Nantucket High School Senior,

Thank you for your interest in the Nantucket Golf Club Foundation's Nantucket Vocational/Professional Scholarship Program. The Foundation will again select seniors who have exhibited exemplary work in a vocational program, internship, summer employment, or similar experience. Each selected student will receive a partial scholarship to the college, university, or technical school of their choice. To be eligible, a student must be enrolled in a program, in the 2023-2024 school year, that leads to employment in their chosen vocational/professional field directly upon graduation from said program. (Examples of vocational/professional programs include, but are not limited to, automotive, plumbing, woodworking, welding, photography, culinary, architecture, nursing, occupational therapy, marine engineering, and physical therapy.)

The first step for you is to download the application and bring one copy of your completed application and <u>all</u> required documents to Courtney Foster in the Nantucket High School Counseling Office on or before 3:00 p.m. on Friday, February 24, 2023, without exception. Two *confidential* recommendations must also be submitted by the recommender directly to Courtney Foster on or before 3:00 p.m., on Friday, February 24, 2023. (See specific instructions for recommendations on the next page.)

Sincerely,

Thomas Bresette Executive Director, Nantucket Golf Club Foundation, Inc.
