

PROFESSIONAL STAFF POSITIONS

All administrative recommendations for the establishment of professional staff positions will be reviewed for approval by the School Committee. It is the Committee's intent to activate a sufficient number of positions to accomplish the school system's goals and objectives and to provide for the equitable staffing of each school building. Although such positions may remain temporarily unfilled, only the Committee may abolish a position it has created.

Each time a new position is established by the Committee, the Superintendent will present for the Committee's approval a job description for the position, which specifies the jobholder's qualifications and the job's performance responsibilities. The Superintendent will maintain a comprehensive set of job descriptions for all positions.

NOTE: Job descriptions for professional staff positions are available for review in the office of the Superintendent.
