

ENROLLMENT OF FOREIGN AND EXCHANGE STUDENTS

To promote cultural awareness and understanding and to provide diverse experiences for district students, the District may admit up to two foreign students into the high school in any given year.

The School Committee may accept exchange students on a J-1 Visa who reside within the district as participants in group-sponsored exchange programs, approved by the Massachusetts Department of Education, and may waive tuition for these students.

The School Committee may accept privately sponsored exchange students on a F-1 Visa for attendance in the high school upon payment of tuition at the established district rate. Tuition payments shall not be waived in these cases.

The principal shall be responsible for determining the visa status and eligibility of foreign exchange students applying for admission to Nantucket High School.

Foreign exchange students shall comply with all immunization requirements for students. Once admitted, all exchange students shall be subject to all District policies and administrative rules and procedures governing students.

The Superintendent shall publish rules and procedures related to this policy.
