

**TOBACCO AND OTHER PRODUCTS PROHIBITED FOR USE BY STUDENTS**

Smoking, chewing, or other use of tobacco or other harmful products by staff, students, and members of the public shall be banned from all District buildings. All forms of tobacco or other harmful use including, but not limited to, electronic cigarettes or other similar products that rely on vaporization (commonly referred to as “Vaping”) shall be prohibited on all District property. In addition, use of aforementioned products by students is banned at all school-sponsored events, even though this use does not take place on school grounds.
