

SCREENING INFORMATION

The Preschool Screening team evaluates children within all developmental domains including: cognitive, speech and language, fine and gross motor, adaptive and social skills as requested by their parents. Any parent that has concerns may schedule a screening. Screening days will be advertised in the local newspaper.

Pathways OutReach Program

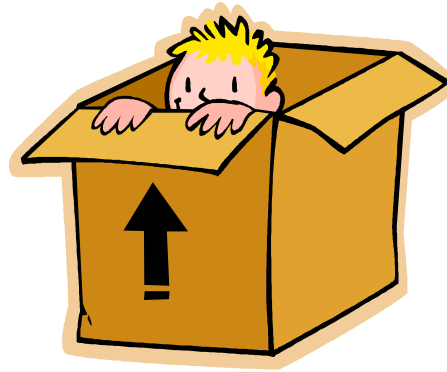

**THE MAIN GOAL OF
THE PATHWAYS
OUTREACH
PROGRAM IS TO
SUPPORT THE CHILD
FIND PROCESS.**

OUTREACH SUPPORT

The OutReach Team helps to support any early intervention strategies that are needed for all preschool aged children. The OutReach support may include:

- Consultation to preschool teachers regarding behavior management, speech and language development, classroom modifications and overall child development,
- Monitoring at-risk students,
- Sharing resources, and
- Communication with Cape Cod Early Intervention Team (800) 974 -8860 or (508) 775-6240.

KIDS CONNECT CLASSROOM

This classroom based program focuses on cognitive, language and motor skill development for at risk pre-K children ages 3 - 5!

The program is lead by Jody Newman Early Educator/Speech Pathologist and Kim Albertson Special Educator and preschool teaching assistants .

Key Components of Kids Connect include:

- Responding to the needs of each particular group; specific children identified in need of early support through our child find program will be invited first, other slots may then be filled by interested families in the community
- Expanding vocabulary, listening, communication and thinking skills, and social interaction skills.
- Supporting Pre-Literacy and Basic skill concepts
- Providing Fine Motor and Gross Motor Activities
- Dissemination of information to parents and consultation on their child's skill levels
- Home activities to be provided.
