

## ARTISTS ASSOCIATION OF NANTUCKET SCHOLARSHIP APPLICATION

Two \$500.00 awards are presented each year to deserving Nantucket High School art students and/or Nantucket High School graduates currently studying art in college. To be eligible for this award, the student must intend to further their education in the visual arts, art education, or art therapy. The scholarship, which is funded by the Artists Association of Nantucket's operating budget, will be sent directly to the school to which the recipient has been accepted and is planning to attend.

In addition to this form, applicants must submit a cover letter, school transcripts, and 10-20 images of recent work in a digital format accompanied by a list of all images, in order, with medium dimensions and year created.

In your cover letter, please describe your interest in the visual arts and your future plans. Please include a list of all art courses taken while in secondary school and/or college, this includes classes and programs outside of school.

List any special awards you have received and arts related activities you have taken part in, including decorating or stage design.

If you are applying for both the AAN Scholarship and the Rebecca Houser Westcott Scholarship, you may use the same application package. Please include both scholarship applications with your portfolio submission.
