Scholarship Funds – 2025

The Nantucket Anglers Club is pleased to support the higher educational needs for Nantucket High School graduates who are the children and grandchildren of active and honorary members of NAC. The Lema-Machado Scholarship Committee administers and helps fundraise for two of the Scholarship Funds offered: Lema-Machado and Pete Guild. U.P.O.N.S., the third scholarship amount fixed at \$1,500, is privately funded, administrated by the Scholarship Committee and the recipient is recommended by the Scholarship Committee.

The amount of scholarship money available for any given year is determined on an annual basis based on income generated by fundraising efforts, with the exception of U.P.O.N.S.

The Committee will attempt to distribute available funds as equitably as possible based on the candidates' qualifications while meeting the requirements of each specific scholarship. (Refer to scholarship descriptions for each scholarship.) Funds may be used for all appropriate educational expenses including, but not limited to, tuition, fees, books, travel, lodging and related expenses at the discretion of the Committee.

Recipients of scholarships must submit a new request for funds each year of the educational program. Generally, these funds may be renewed depending upon academic performance, continuing demonstration of financial need and ongoing relevancy to the course of study per the scholarship requirements. These awards carry no guarantee that they will be repeated beyond one year.

PROCEDURE

Awards may be made by the Scholarship Committee upon receipt of **all** of the following:

1. **Application form** – completed, signed and dated.
2. **Cover letter** describing academic accomplishments, work accomplishments and career goals, addressing one or more of the following criteria: financial need, demonstrated academic excellence, work or volunteer duties, relevance of the education to the objective and purpose of the specific scholarship. 3. **Two (2) recent references** - one from a direct supervisor or faculty member, and the second as a personal reference from a non-family member. Must be signed and dated within the past year. (See Reference Form that can be used in lieu of a letter.)
