

NANTUCKET SHELLFISH ASSOCIATION
SCHOLARSHIP APPLICATION

The mission of the Nantucket Shellfish Association is to preserve and protect Nantucket's harbors, water quality, and shellfish resources. The Nantucket Shellfish Association works collaboratively with organizations across the island addressing issues impacting the health and sustainability of our harbors. These programs are working to address issues impacting shellfish habitats, eelgrass decline, invasive species, and water quality.

The NSA is pleased to announce the availability of scholarships for seniors of Nantucket High School and graduates **who have completed at least one year of college with a grade point average of 3.0 or better and have declared or intend to declare a major in some aspect of marine science.** The intention is to award two scholarships in the amount of \$5,000 each, renewable for up to three years contingent upon the maintenance of an acceptable GPA. The final number and amount of scholarships will be determined by the NSA at its discretion.
