RE: Presence of Asbestos Containing Material in the Nantucket Public School District.

Your work may disturb Asbestos Containing Materials ("ACM").

Location of Asbestos Containing Materials

Disturbing Asbestos Containing Materials and Presumed Asbestos Containing Materials

- If you suspect a material may contain asbestos, contact the district Designated Person, Chip Clunie at 508-228-7280 X 1177 before disturbing it.
- Personnel who disturb ACM must be properly trained, and use proper equipment and personal protective gear.
- Personnel who disturb ACM must follow the specific Operations and Maintenance Procedures in the school's management plan to ensure that school occupants are not exposed to asbestos dust, and ensure that asbestos dust does not contaminate building areas.
- A licensed Asbestos Contractor is required when more than 3 linear or square feet is disturbed.

Warning Signs are located in non-public maintenance areas. The lack of a warning sign does not indicate that no asbestos containing materials are present.

Please sign below and return this document to the school office at 32 First Way, Nantucket as agreement that you have been notified of the presence of asbestos, and your acceptance that you will not disturb suspect asbestos containing materials.
