

**Nantucket Elementary School  
LIP SYNC CONCERT  
Friday, May 5, 2017 at 6:00 pm  
Nantucket High School Auditorium**

**Gather a group of friends and put on a fun-filled show to help raise money for our Student Activity Accounts!**

The Student Activity Accounts support students at *every* grade level. Funds are used for such things as Literacy Night, financial assistance for field trips, bringing in guest speakers, performers, and playground equipment.

**All monies raised during our second annual Lip Sync event will go directly to these accounts!**

**What is a Lip Sync?** A group of students sing (well, pretend to sing) and dance on stage in costumes to a song.

**Who can participate?** NES students in groups of five or more students.

It is our hope that every student who wants to participate is given the opportunity to do so.

*In the spirit of friendship and cooperation, please accept students into existing groups and discourage students from excluding anyone.* Students should only participate in **one** group. Each group must have **one** designated parent representative who is responsible for coordinating the group's routine and practice schedule, attending the dress rehearsal and keeping other parents in the group informed.

**How do I sign up?** Each group must complete **one sign up sheet**.

It is the responsibility of the parent representative to return the sheet to the **main office** with their group members' names and grades by **Friday, March 10, 2017**. Members may be added after this date, but new groups may not be formed. The parent representative will be contacted after submission with a list of FAQs.

**Sign up early! Event is limited to the first 20 acts!**
