Parent Conferences a Success!

Dear NIS Families,
Many thanks to all of you who adjusted your schedules to prioritize meeting with your children's teachers! It was especially wonderful to see the turnout on December 5th - our official conference day. Please know that our educators are available to meet with you throughout the year whenever you would like a face-to-face conversation. Just reach out to the teacher and they will work with you to set up a conference. We truly value the partnership between home and school, and want to ensure you feel connected, informed and a significant part of your children's learning. We also value your feedback so please do not hesitate to share your thoughts about how we can make the parent/teacher conference experience stronger by emailing me at mcneile@npsk.org.

All the best,
Evermarie McNeil, Principal

Report Card Feedback Needed

NIS has begun the process of adjusting the report card to make it more parent friendly and informative. This year, you received a letter with the term one report card describing the changes made thus far and the work we will do next. A separate email will come to you next week with a link to a report card survey. Please take a few moments to complete our survey to inform future revisions. Our goal is to make it most meaningful to you as we report out student progress across grade level standards, specials subjects, effort, work habits, and social skills.

Many Thanks to...

- We are so grateful for all of our community partnerships that enrich the teaching and learning at NIS each day!
- * Nantucket Community Readers - thank you for sharing your love of reading with us!
- * Emily Molden - Nantucket Land Council - thank you for the rich science learning experiences!
- * Lesley Malcolm - Nantucket Antheneum - thank you for our Literacy Night storyteller!
- * Chris Getoor - Strong Wings - thank you for this fabulous program!
